## CHI CHAPTER MAN OF THE YEAR AWARD

Conceived as a way of honoring Kappa Sigma and Chi Chapter alumni for outstanding achievements, this award has quickly become an integral part of our tradition here.

Kappa Sigma is a fraternity with great pride and a tradition of excellence, and our many distinguished alumni have served to enhance it throughout the years. The Chi Chapter, since its beginning in 1885, has seen many brothers rise to positions of great respect.

Inductees are among a select group of alumni. Recognition comes to those who have excelled in their career, or in their service to the community, and/or to the fraternity.

Each inductee will have his name placed on the Man of the Year perpetual plaque, to be prominently displayed at the new Chapter House, and will also receive a personal plaque to take home. Congratulations to all who have earned this honor.

# 2003 KAPPA SIGMA TOWER AWARD WINNER

Mike Eskew serves as chairman and chief executive officer of UPS, the world's largest package delivery company and a global leader in supply chain services.

Under Eskew's direction, UPS is expanding its capabilities into new lines of business that complement the company's global package delivery operations. UPS is developing solutions for its customers by

synchronizing the movement of goods, information and funds. These expanded capabilities include multi-modal transportation services, sophisticated technologies, international trade management, supply chain consulting and financial services.

A native of Vincennes, Ind., Eskew graduated from Purdue University with a bachelor's degree in industrial engineering. He also completed the Advanced Management Program at the Wharton School of Business. Eskew began his UPS career in 1972 as an industrial engineering manager in Indiana. His advancement continued in various positions of increasing responsibility including time with UPS's operations in Germany and with UPS Airlines.

In 1994, Eskew was named corporate vice president for industrial engineering. Two years later he became group vice president for engineering. Eskew has served as a member of the UPS Board of Directors since 1998.

In 1999, he was named executive vice president and a year later was given the additional title of vice chairman. Eskew held this position prior to assuming his current role on January 1, 2002.

In addition to his corporate responsibilities, Eskew is a Trustee of The UPS Foundation and The Annie E. Casey Foundation, which is the country's largest foundation dedicated to disadvantaged youth. In 2003, Eskew was appointed to the President's Export Council. He also serves on the Board of Directors of the 3M Corporation and is a member of the Business Roundtable.

**“The Star and Crescent shall not be worn by every man, but only by him who is worthy to wear it. He must be a gentleman...a man of honor and courage...a man of zeal, yet humble...an intelligent man...a man of truth... one who tempers action with wisdom and, above all else, one who walks in the light of God.”**
